### New Mexico Domestic Violence Offender Treatment and Intervention Programs

Current a of 1/9/2020

The following programs are approved by the New Mexico Children, Youth and Families Department (CYFD) for calendar year 2020 to provide Domestic Violence Offender Treatment and Intervention services (DVOTI) to New Mexico Courts for perpetrators of the Crimes Against Household Members Act (30-3-10) and Family Violence Protection Act (40-13-1). DVOTI programs are also open to people who would like to seek help on their own or as a referral from CYFD Protective Services. DVOTI programs are 52 weeks in length, as required by New Mexico Statute, and require the partnership of the Courts or its agents to effectively hold offenders accountable and change perpetrator behavior.

Contact the programs directly for information, referral, or to schedule an intake. If you have questions, complaints, or need further information about these programs, contact the Domestic Violence Unit at CYFD at (505) 795-1645.
