(Old) PERA Building
1120 Paseo de Peralta, Room 205

I. Background Information

During the 2005 legislative session, the New Mexico legislature passed the New Mexico Pre-Kindergarten Act (Children's Code, Article 23, Sections 32A-23-1 through 32A-23-9 NMSA 1978) and provided funding to develop and implement a voluntary pre-kindergarten (PreK) program for 4-year-old children throughout New Mexico. The Public Education Department (PED) and the Children, Youth and Families Department (CYFD) have joint responsibility for the implementation of NM PreK.

The 2015 legislature expanded the NM PreK Program by providing funding for three-year-old children. CYFD is referring to pre-kindergarten services to three-year-olds as Early PreK.

In 2018 CYFD allocated some funding to implement a mixed-age PreK Program for both three and four year olds where a PreK or Early PreK standalone program is not feasible. CYFD is referring to the implementation for PreK and Early PreK mixed age services for three and four year olds as the **CYFD Mixed Age PreK Program**.

The purpose of the CYFD Mixed Age PreK Program is to: 1) increase statewide access to voluntary high quality early childhood education programs where a PreK or Early PreK standalone program is not feasible; 2) provide developmentally appropriate early learning activities for New Mexico children that focus on school readiness; 3) expand early childhood community capacity; 4) provide high quality early childhood education programs based on the comprehensive framework as described in the *New Mexico PreK and Early PreK Program Standards*.

CYFD is seeking applicants to provide CYFD Mixed Age PreK Program Extended Day PreK:

- **CYFD Mixed Age PreK Program Extended Day Services**: Services shall be provided Monday through Friday. 900 Instructional hours for children who turn three years of age before 12:01 a.m., September 1st of the current year and are not age-eligible for kindergarten, and 90 hours of family engagement activities per program per year. Group size for single session is 16 children with a 1:8 ratio.

II. Eligibility

Eligible applicants are:

- Early childhood education programs, including Head Start, preschools and early care and learning programs that are licensed by CYFD and in good standing and do not operate under the auspices of the New Mexico Public Education Department.
- Programs shall provide Extended Day Services Monday through Friday.
- Tribal early childhood education programs.
- Bureau of Indian Education (BIE) schools, and BIE contract (and grant) schools with early childhood education programs.
- Provide services in rural, underserved areas where a PreK or Early PreK Standalone option is not feasible.

- Must be currently enrolled in FOCUS and hold a child care license with a rate of **2+ (two plus) STAR** program or above.

CYFD Mixed Age PreK Program provides voluntary, state-funded early childhood education programs for children who turn three years of age before 12:01am, September 1st and 4th birthday before 12:01 a.m., September 1, and are not age-eligible for Kindergarten. For funding purposes, applications will be evaluated and priority will be given to programs within the attendance boundaries of public elementary schools that are designated as Title 1 schools and that have at least sixty-six percent of the children served living within the attendance zone of a Title 1 elementary school. (See current list of Title I schools at www.newmexicoprek.org). To meet eligibility criteria for CYFD Mixed Age PreK Programs, Applicants must be currently enrolled in the FOCUS (New Mexico Tiered Quality Rating and Improvement System) as a **2+ (two plus)** STAR or above.

Although all eligible early childhood education programs statewide are encouraged to apply, CYFD will prioritize the funding of CYFD Mixed Age PreK programs located within (and serving the children living within) the boundaries of Early Childhood Investment Zones.

New Mexico’s Early Childhood Investment Zones

- Dexter, Tatum, Lovington, Hobbs, Eunice and Jal School Districts
- Logan, San Jon, Tucumcari, House, Vaughn and Santa Rosa School Districts
- Estancia and Mountainair School Districts
- Gallup-McKinley, Zuni, and Grants-Cibola School Districts

- Mosquero, Roy, Cimarron, Raton, Maxwell and Springer School Districts
- Rio Grande Cluster of the Albuquerque Public Schools
- Magdalena, Deming, Hatch, Gadsden and Truth or Consequences School Districts

III. Funding/Awards

Awards will be based on demonstration of unmet need at the time of award, and scoring of the Application. The unmet need within a community is subject to change due to the possibility of funding from the Public Education Department for PreK services as well as Head Start or other funding for preschool services. *"Unmet need is defined as the lack of quality preschool services available in the community to serve three and four year olds. This includes but is not limited to: lack or limited access to Five STAR early childhood programs, lack or limited access to a local Head Start program, lack or limited access to a Title I program serving three and four year olds, and/or lack of limited access to other PreK funds by either PED or CYFD".*
