C. The State of New Mexico may enter into Cooperative Agreements with tribes as provided in the New Mexico Joint Powers Act and the New Mexico Children’s Code (NMSA 32A-1 et seq.).

D. The Department of Interior issued Regulations on June 14, 2016, effective December 12, 2016, 25 CFR 23, 81 FR 38864; and issued Guidelines for state courts, effective December 12, 2016.

E. Pursuant to these laws, the NATION and CYFD hereby enter into this Agreement, subject to the terms and conditions set out below.

II. PURPOSE AND POLICY

A. CYFD and the NATION recognize that:

1. There is no resource that is more vital to the continued existence and integrity of the NATION than its children.

2. The United States has a direct interest, as trustee, in protecting Indian children who are members of or eligible for membership in an Indian tribe.

3. CYFD has a direct interest in protecting Native American culture and encouraging the cultural diversity of the citizens of the State of New Mexico.

4. This Agreement is entered into under 25 USC § 1919 and the New Mexico Children’s Code (herein “NMCC”) (NMSA 32A-1 et seq.), and is predicated on a government to government relationship between the STATE OF NEW MEXICO and the NAVAJO NATION in a spirit of cooperation, coordination, communication, collaboration and good will.

5. Both voluntary and involuntary proceedings are of critical interest to the NATION to:
2018 AMENDMENTS

a. Prevent any inappropriate cultural separation of Navajo children from their families and their Navajo community;
b. Ensure that Navajo children who are removed from their homes maintain contact with their Navajo culture; and

1. The primary purpose of this Agreement is to protect and further the best interests of the Navajo child and his/her family.
2. The health, care, safety, well-being and supervision of the Navajo child are the primary concerns when providing services to a family; and

C. In fulfilling the terms of this Agreement, CYFD and the NATION support and will act in accordance with the full faith and credit provisions contained in 25 USC § 1911(d). The ICWA requires that the United States, the State and Indian tribes give full faith and credit to the public acts, records and judicial proceedings of any Indian tribe applicable to Indian child custody proceedings to the same extent that such entities give full faith and credit to public acts, records and judicial proceedings of any other entity.

3. Acknowledge that information gathered in a criminal records background check is confidential and protected under applicable law. The parties also acknowledge that pursuant to these confidentiality requirements, specific information obtained in a criminal records check cannot be shared between CYFD and the NATION.

L. Upon taking legal custody of a Navajo child, CYFD shall assume responsibility for all costs of care (in homes licensed by the NATION or CYFD), supervision, and support services, until such time the NATION chooses to transfer jurisdiction. Should that happen the NATION shall assume responsibility for all such costs, subject however, to the emergency shelter care provisions of Section VIII, supra.

2. The party seeking to assert good cause bears the burden of proving by clear and convincing evidence that there is good cause to deviate.
3. Considerations on which good cause may be based include:
