I. BACKGROUND INFORMATION

During the 2005 legislative session, the New Mexico legislature passed the New Mexico Pre-Kindergarten Act (Children's Code, Article 23, Sections 32A-23-18 NMSA 1978) and provided funding to develop and implement a voluntary pre-kindergarten program for 4-year-old children throughout New Mexico. The Public Education Department (PED) and the Children, Youth and Families Department (CYFD) have joint responsibility for the implementation of NM PreK.

The purpose of New Mexico PreK Program is to: 1) increase statewide access to voluntary high quality early childhood education programs; 2) provide developmentally appropriate early learning activities for New Mexico children that focus on school readiness; 3) expand early childhood community capacity; 4) provide high quality early childhood education programs based on the comprehensive framework as described in the *New Mexico PreK Program Standards*.

CYFD is seeking applicants to provide the following NM PreK Program Options:

- **New Mexico PreK Basic Services**: Services shall be provided Monday through Friday. 450 Instructional hours and 90 hours of family engagement activities per program per year for children who turn four years of age before 12:01 a.m., September 1st and are not age-eligible for kindergarten. Group size 20 children with a 1:10 ratio.
- **New Mexico PreK Extended Day Services**: Services shall be provided Monday through Friday. 900 Instructional hours and 90 hours of family engagement activities per program per year for children who turn four years of age before 12:01 a.m., September 1st and are not age-eligible for kindergarten. Group size 20 children with a 1:10 ratio.

II. ELIGIBILITY

Currently funded NM PreK programs whose Contract and/or Purchase Order is expected to terminate on June 30, 2019, as well as new programs, are encouraged to respond to this Application.

Eligible applicants are:

- Early childhood education programs that are licensed by CYFD and in good standing and do not operate under the auspices of the New Mexico Public Education Department.

New Mexico PreK provides voluntary, state-funded early childhood education programs for children who turn four years of age before 12:01 a.m., September 1st and are not age-eligible for kindergarten. The Prekindergarten Act specifies that for funding purposes, applications shall be evaluated and priority

given to programs within the attendance boundaries of public elementary schools that are designated as Title 1 schools and that have at least sixty-six percent of the children served living within the attendance zone of a Title 1 elementary school. (See current list of Title I schools at www.newmexicoprek.org).

New Mexico PreK Programs must apply to participate in the FOCUS (New Mexico Tiered Quality Rating and Improvement System) within one year of award, as stated in the New Mexico PreK Standards.

Although all eligible early childhood education programs statewide are encouraged to apply, CYFD will prioritize the funding of New Mexico PreK programs located within (and serving the children living within) the boundaries of Early Childhood Investment Zones.

III. FUNDING/AWARDS

Awards will be based on demonstration of unmet need at the time of award, and scoring of the Application. The unmet need within a community is subject to change due to the possibility of funding from the Public Education Department for PreK services as well as the Head Start or other funding for the preschool services. "Unmet need is defined as the lack of quality preschool services available in the community to serve four year olds. This includes but is not limited to: lack or limited access to Five STAR early childhood programs, lack or limited access to a local Head Start program, lack or limited access to a Title I program serving four year olds, and/or lack of limited access to other PreK funds by either PED or CYFD".
