RAFT consists of 32 hours of skill building, through group activities, personal reflection, lecture, and discussion. All household members over the age of 17 MUST attend training. All household members must complete all 32 hours of training. The program is designed to help families build rapport with one another and establish connections/resources, so it is imperative that once you start the Sessions, you complete them all in order.

Child care IS NOT provided; therefore, please make arrangements as needed.
