RAFT consists of 32 hours of skill building, through group activities, personal reflection, lecture, and discussion. All household members over the age of 17 **MUST attend training**. All household members must complete all 32 hours of training. The program is designed to help families build rapport with one another and establish connections/resources, so it is imperative that once you start the Session, you complete them all (Day 1 – Day 4) in order.

Child care is **NOT** provided; therefore, please make arrangements as needed.
