INDIAN CHILD WELFARE ACT INTERGOVERNMENTAL AGREEMENT
BETWEEN THE NEW MEXICO CHILDREN, YOUTH AND FAMILIES
DEPARTMENT AND THE PUEBLO OF TESUQUE DIVISION OF SOCIAL
SERVICES.

This Intergovernmental Agreement (IGA) is between the STATE OF NEW MEXICO
acting through its Children, Youth and Families Department herein called “CYFD”, and
the Pueblo of Tesuque Tribe, herein referred to as “TRIBE”, a federally recognized
Indian Tribe.

I. PURPOSE AND POLICY

A. In 1978, the Congress of the United States adopted the Indian
Child Welfare Act (hereafter ICWA), Public Law 95-608, codified
as 25 USC Sections 1901-1963, “to protect the best interests of
Indian children and to promote the stability and security of Indian
tribes and families,” 25 USC Section 1901. The ICWA authorizes
Indian tribes and states to enter into Agreements aimed at
furthering the purposes of the ICWA (25 USC Section 1919). The
State of New Mexico may enter into Cooperative Agreements with
tribes as provided in the New Mexico Joint Powers Act and the
New Mexico Children’s Code (NMSA 32A-1 et seq.). Pursuant to
these laws, the TRIBE and CYFD hereby enter into this
Agreement, subject to the terms and conditions set out below.

B. CYFD and the TRIBE recognize that:
1. There is no resource that is more vital to the continued
   existence and integrity of the TRIBE than its children;
2. The United States has a direct interest, as trustee, in
   protecting Indian children who are members of or eligible for
   membership in an Indian tribe;
3. CYFD has a direct interest in protecting Native American
culture and encouraging the cultural diversity of the citizens
of the State of New Mexico;
4. This Agreement is entered into under 25 USC Section 1919
   and the New Mexico Children’s Code (herein “NMCC”)
   (NMSA 32A-1 et seq.), and is predicated on a government to
government relationship between the STATE OF NEW
MEXICO and the TRIBE in a spirit of cooperation,
coordination, communication, collaboration and good will;
5. Both voluntary and involuntary proceedings are of critical
   interest to the TRIBE:
   (a) To prevent any inappropriate cultural separation of
       Pueblo of Tesuque children from their families and
       their Pueblo of Tesuque community;
(b) To ensure that Pueblo of Tesuque children who are removed from their homes maintain contact with their Pueblo of Tesuque culture; and

(c) To ensure that the values of Pueblo of Tesuque culture are preserved.

C. CYFD and the TRIBE agree that:

1. The primary purpose of this Agreement is to protect and further the best interests of the Pueblo of Tesuque child and his or her family.

2. The health, care, safety, well being and supervision of the Pueblo of Tesuque child are the primary concerns when providing services to a family; and

3. Where possible, the child will be raised within his or her family and the Pueblo of Tesuque culture.

D. In fulfilling the terms of this Agreement, CYFD and the TRIBE support and will act in accordance with the full faith and credit provisions contained in Section 1911(d) of the ICWA. The ICWA requires that the United States, the State and Indian tribes give full faith and credit to the public acts, records and judicial proceedings of any Indian tribe applicable to Indian child custody proceedings to the same extent that such entities give full faith and credit to public acts, records and judicial proceedings of any other entity.

E. CYFD and the TRIBE support the policy of Section 1911 of the ICWA to transfer state court proceedings for foster care placement or the termination of parental rights of Pueblo of Tesuque children not domiciled or residing within the TRIBE to the jurisdiction of the tribe upon petition of the TRIBE or the Pueblo of Tesuque child’s parent or Indian custodian, absent good cause to the contrary or objections by either parent.

F. Section 1919 (a) of the ICWA provides that States and Indian tribes are authorized to enter into agreements with each other respecting care and custody of Indian children and jurisdiction over child custody proceedings, including agreements that may provide for orderly transfer of jurisdiction on a case-by-case basis.

G. This agreement shall be construed in the spirit of cooperation and in a manner that protects and promotes the best interest of Pueblo of Tesuque children and the security of the Pueblo of Tesuque tribe and families.

F. This Agreement shall be interpreted in a manner that reflects the values of Indian culture, custom and tradition.

3. "Domicile" means more than physical presence alone of the child at the time of the actions giving rise to any court proceeding covered by this Agreement. 8. "Jurisdiction" means the authority, capacity, power or right of a court of law to take judicial action with respect to a child as provided in Pueblo of Tesuque, State or Federal law. 2. Identify and incorporate values and practices of the Pueblo of Tesuque and Indian cultures that can contribute to providing services to the family.
