WELCOME TO 360

About the 360 Report

The 360 Report is published quarterly to provide CYFD management, staff, and external partners with data on:
• Reports of child abuse and neglect
• Investigations of child abuse and neglect
• Substantiated cases
• Permanency plans for youth in custody
• Plans for reunifications
• Number of youth in foster care

These data can be used to inform New Mexicans of trends in a particular area and where support may be needed. Data can also indicate positive outcomes in an aspect of the system in a particular county or region. The 360 Report is a tool that can brings science to inform the prevention and treatment process.

About the Data

Data for the County Profiles is prepared through the collaborative efforts of the Data Evaluation Unit and FACTS Unit within the Research, Assessment, and Data Bureau and Information Technology Services, with the assistance and guidance of the U.S. Department of Health and Human Services, Administration For Children and Families, Administration on Children, Youth and Families, Children's Bureau.

About Protective Services

Protective Services strives to enhance the safety, permanency and well-being of children and families in New Mexico.

Protective Services workers investigate reports of child maltreatment and intervene to keep New Mexico's children safe. We provide foster care to approximately 2,500 children each day and work with families to enable parents to safely care for their children. When that cannot be accomplished, Protective Services workers find safe, permanent families for children through adoption or permanent guardianship.

Protective Services also works with youth emancipating from the foster care system to assist them in successfully transitioning into adulthood.

PS Director's Office

Jared Rounsville, Director
Francine Anaya, Clinical Deputy Director
Annamarie Luna, Program Deputy Director
Yvette Sandoval, Administrative Deputy Director

Santa Fe, New Mexico
(505) 827-8400   www.cyfd.org

About the Regional Offices

CYFD is divided into five regions, each one with their own central staff. The Regional Offices are responsible for ensuring that the counties they oversee are supported effectively.

Regional Managers

NW Region 1
Bart Sandoval   (505) 865-4634

NE Region 2
Joy Weathers (505) 425-9335

Metro Region 3
Lisa Madrid-Schleicher (505) 841-7800

SE Region 4
Virginia Villarreal (575) 624-6071

SW Region 5
Kasandra Gandara (575) 373-6410

STATEWIDE

A SNAPSHOT OF OUR CHILDREN

All of New Mexico's children are our priority. We work to make sure that every child is safe from abuse and neglect. We also work to strengthen families so that they are safe, healthy and resilient.

For every child in CYFD care, we track his or her progress through our FACTS data system. This report focuses on children in CYFD care.

The data on this page provide an overview of all children in New Mexico

Children in Care

The pages to follow will focus on the children in care and our process working toward reunification and permanency.

The 360 QUARTERLY is published each quarter to support our entire staff, external and internal partners, to illustrate trends and progress made toward measurable objectives in each county office. The report is designed to be used by:

- CYFD Workforce
- Community Partners
- Policymakers
- General public interested in child welfare and the safety of our children

Using this Guide

The RAD (Research, Assessment and Data) Unit designs this publication to be used in quarterly county office progress meetings so that every office staff member knows how local work is progressing and what form of continuous quality improvement can address challenges.

New Mexico Population under 20 : 579,841
